

NATIONAL SPRING CLEAN

School's Aluminium Can Recycling Competition

In association with Alupro Ireland, supported by the European Aluminium Association (EAA)

Alupro Ireland is sponsoring an aluminium can recycling competition for Primary and Secondary Schools as part of the National Spring Clean.

Primary and Secondary Schools have a chance of winning €500 by sending in a photo of the cans they collect during their clean-ups.

The cans may be displayed in a creative manner or simply put in clear plastic bags (Provided with NSC clean-up kit). Please note entries will be judged on creativity as well as quantity!

Fill out the form below and send along with a photo to:

National Spring Clean Aluminium Competition
5a Swifts Alley
Francis St.
Dublin 8

Alternatively email a picture to nsc@antaisce.org making sure to provide your School contact details and the number of cans collected.

Winners will be announced in May and winning entries will be displayed on www.nationalspringclean.org
