

“Clean Sweep” – National Spring Clean Project 2008.

On Monday, April 28th 2008 – Mount St. Michael Transition Year Students and Staff and Claremorris Family Resource Centre took part in An Taisce “National Spring Clean 2008”. The project was organised by Nuala Gilligan – Co-Ordinator Claremorris FRC. The project took place at the Clare Lake Development, Claremorris. Special thanks to the Transition Year Students and to Patricia Tuohy (Teacher St. Michael’s) for their hard work and perseverance in taking part in this project as the weather conditions were not favourable. Thanks also to Aine Connelly (TY Co-Ordinator) for enabling the students to participate and to Pat Walsh Clare Lake Development. National Spring Clean is An Taisce’s premier anti-litter campaign and encourages clean-ups throughout the month of April. The Project can be viewed on the front window of Claremorris FRC and on www.nationalspringclean.org
