

## **Moyross Residents Forum**

The Moyross Residents Forum Ltd registered with AN TAISCE National Spring Clean and received the national clean up kit. These included posters to advertise our clean up, plastic bags, tabards to keep clothes clean and gloves. With the support of An TAISCE, Sinead McDonnell in Limerick City Council and the Moyross Community Enterprise Centre the clean ups were a great success. The Moyross Residents Forum Ltd wish to thank all the children and adults who turned out to help make our community a more enjoyable place to live and work We all have a responsibility for litter and we are now taking action against it. National Spring Clean gives us all an opportunity to further that choice.

Kind regards

Tracy McElligott
